

MioCARE⁺

A335

2D Barcode Reader

Pocket sized tablet computer
designed for healthcare

Unified Communication

3G, WIFI and Bluetooth® 4.0 connected.

IP54 Rugged and Cleanable

Water, dust, 1 meter drop resistant and anti-microbial.

Open & Flexible

Uses Android™ 4.2. with SDK and emulator support.

Integrated Data capture

NFC, HF RFID and 2D barcode built into workflows.

MioCARE

A335

2D Barcode Reader

Pocket sized tablet computer
designed for healthcare

Introducing the new 5.88" touch screen tablet
from MioCARE with 3G and WIFI.

The A335 includes integrated NFC and a 2D barcode scanner offering data capture built right into your workflow. This gives real-time and context aware reporting and data retrieval offering significant error reduction. Integrated AGPS adds location awareness.

With 3G and WiFi connectivity the MioCARE A335 is always connected indoors and out. The cradles designed for healthcare are fast charging and allow the A335 to be always available.

Package contents:

- Device
- AC mains charger
- USB to Mini USB cable
- Printed quick start guide
- Printed warranty & end user license agreement

6-units device cradle for power charging
and data synchronization

Unified Communication
